ABOUT ME

A driven designer with a proven record of delivering innovative and creative solutions. I am passionate about developing original designs that combine exacting detail and design flare. My meticulous approach ensures that each project is curated with attention to detail from idea creation to final delivery. A strong communicator, I work well within a team and independently. I am looking to grow my knowledge of UI and UX design in a fast paced, ambitious environment.

EXPERIENCE

Aug 2021 - Current

Twinkl Educational Publishing - Graphic Designer

- Creating a wide range of printed and digital resources for various demographics using creativity and technical expertise to produce high-quality design work that helps to support teachers and their students.
- Play a key role in training and onboarding new starters, working alongside the training and development coordinator to enhance the training program ensuring that they have the skills and knowledge they need to succeed.
- Working alongside the Marketing Assistant to design marketing campaigns and materials including social media.

Mar 2021 - June 2021

BWAR Creative Marketing - UI/UX Designer

- Produced a wide range of graphics for web, including UI and UX design, website mock-ups, and social media graphics.
- Created marketing assets and short videos.
- Influenced the design of client websites to maximise customer engagement.

Nov 2020 - Mar 2021

Connect Design Group - Junior Graphic Designer

- Worked as part of a team, producing a range of printed materials in large print, Braille, and audio formats for visually impaired people.
- Created an assortment of documents including exam papers using specialised software and tools.
- Used design skills and attention to detail to ensure that all of the materials we produced were of the highest quality and met the needs of our clients.

Oct 2019 - July 2020

Creative Play - Graphic Designer

- Designed all of the company's graphic, website, social media, and marketing materials.
- Worked with external printers to coordinate the printing of marketing materials while working to a tight deadline.
